EMPLOYMENT OPPORTUNITY

POWER GROUNDMAN

Morgan City is accepting applications for a Power Groundman. Under close supervision of Journeyman Lineman, works as a team member with the Journey Lineworker in the installation, repair and maintenance of all power transmission lines, transformers, and related equipment in order to provide continuous electric power to City residents and businesses. Uses safe work practices in all aspects of electrical duties. Prior training or experience preferred. Applicant must have a valid Utah Driver's License. Subject to overtime work and 24-hour emergency calls; other related duties as assigned. This is a full-time position with benefits. Power Groundman pay range \$15.45 to \$19.57.

Applications and job descriptions are available on the city website: www.morgancityut.org. Email to lmoore@morgancityut.org, bring into the city office or mail application and resume to Morgan City, Attn: HR, PO Box 1085 Morgan, UT 84050. Open until filled. For more information email lmoore@morgancityut.org or call Human Resources 801-821-4284.
