Ways to Pay Your Morgan City Bill ...

- In person
- Drop box (located out front at Morgan City Hall)
- By mail
- Over the phone
- Online**

****Our online bill payment option, with [Xpress Bill Pay](#), saves you time and gives you more flexibility in how you pay your bill. If you have an Internet connection and an e-mail address, you can now pay your bill online. It's fast, it's easy, and you no longer have to write a check each month or find a stamp when it's time to send in your payment.**

Delinquent Account

New shut off procedure that started November 17th, shut offs will occur promptly at 7am. Payments can be made throughout the day on shut off accounts to restore power but *no payments will be monitored or restoration of power will occur after 7pm on the 17th* and will have to wait until the following business day.

- **DELINQUENT ACCOUNTS/SHUT-OFFS:** if your account has a past due amount that has not been paid **BEFORE the 17th** of the month your account is subject to being **SHUT OFF** with further notice.

Any utility customer who has a delinquent amount on their billing after 30 days will receive a shut-off notice on their utility billing statement. This notice will allow the customer 10 days to pay the delinquent billing. If the utility billing is not paid **BEFORE the 17th of the month**, the customer's electric and/or water service will be disconnected without further notice.

If you are currently disconnected, you must call Morgan City Office at 801-829-3461 BEFORE making your payment. In order to have utility services reconnected, the past due utility billing plus the reconnect fee must be paid in full.

Any reconnection fee(s), other penalties, or credits will appear on your next months Utility Billing Statement.

Any payment arrangements need to be made **BEFORE the 17th** of the month to ensure uninterrupted services.

****If you are needing assistance with heating, cooling, and water please visit the Home Energy Assistance Target (HEAT) program which is designed to help low-income households with energy and water costs.
