If I had to describe Morgan City in a single word it would be "Prosper." Not only does Morgan have some of the best economic indicators of any City, it is one of the best places to raise a family and enjoy the outdoors. Morgan is supported by the independent values of agriculture and local hard-working businesses. The people of Morgan City are simply the best and regardless of how long they have lived in the City, most conversations with neighbors include the phrase, "I love it here in Morgan"! While Morgan City provides a menu of services including; parks, trails, cemeteries, water, sewer, garbage, and power, we offer a rural atmosphere, great air quality, and stunning mountain views at no extra charge. *Ty Bailey, City Manager*
